

The cover page features a dark blue background with a faint, abstract landscape of mountains and water in the background. In the top right corner, there is a red rectangular logo for "MONARCHLAM" with the text "A quality product by ARCHIDPLY". The main title "MAGNIFICENT Era" is written vertically down the center in large, white, serif capital letters. Below the title, there is a small, stylized illustration of a room interior.

**CREATIVE
SPACE!**

Planning your own
living space takes a
dive of your own.
Finding more in less.
Making statements
in design is what
Dive into the Science
of Design.

RAJIV DAGA,
Managing Director

At an Unbeatable Position!

Rajiv Daga, Managing Director of **Archidply Industries Ltd.**, has been instrumental in doubling the capacity of **Budhpur** plant within a time span of three years. With a core vision of expanding the business and offering the products with low Formaldehyde emission, company has been developing Laminates and Plywood with extended significance. Referring to same expansion plan.

Rajiv articulates "We take pride in going one step ahead in the process of company's transformation strategy and creating a new diverse designs range of **MONARCHLAM** laminates. We are engaging more Architects, Interior Designers and other major market influences as an important part of this strategy for our expansion plans. Our Sales Force is very strong, especially in the **B2B** segment where we have built a massive distribution network that has provided us with an incomparable market reach. **MONARCHLAM**, apart from being Environmental friendly and produced with low emissions, goes through a stringent Quality Check resulting in a qualitative flawless finished product thus creating a niche in the marketplace."

MONARCHLAM, from the house of **Archidply Industries Limited**, is the optimum quality product that not only fits the budget of its Customers but the overall presentation and look satisfies their visitors. **Archidply**, as a group established in 1976 has been presenting a million reasons for its customers to choose their range of products as their interior designing partner. A public listed company in **BSE & NSE** and ISO 14000 & ISO 9001-2002 certified company, it also adheres to regulations of India, US and Europe being an exporter also to more than 20 countries across the globe. Company products are awarded from many prestigious certifications which includes the requisite certification like **GREENGUARD**. The company is well aware of the modern trends in the wooden panel market and understands how crucial it is to balance between the modernity and high-quality of decorative surfacing products. From the technology front, **Archidply** ensures to stay quality conscious and one step ahead of its competitors by spending quality time on **R&D**. For this complete research on consumer behaviour, the new age tool products required for manufacturing are done by an expert panel of researchers and engineers. From strong plywood to latious laminates, we have come a long way in designing the products without blending harmful chemicals.

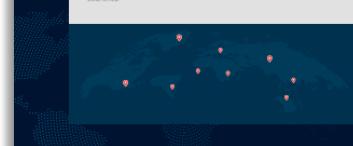

Strong & Vast Presence

Archidply also takes pride in its strong and vast presence across all states of India through its 7 warehouses, 20 sales offices and close to 2000 dealer's network. Its presence in International markets is also growing every passing year.

Rajiv adds, "We continue as a one-stop solution provider for all the building requirements of our customers while focusing on providing more healthier products too. This way, our customers find it easier to fulfill most of their building needs through our brand."

The company comes up with products par excellence in the market which are developed with high-end chemical technologies.

With MONARCHLAM as its flagship range, company also develops a range of eco-friendly panel products using timber which can be regrown quickly along with genuine forest certifications for timber which are sourced from various countries.

True Teamwork

Across the supply chain of **Archidply**, each department right from the sourcing of raw materials to the operations in the factory and sales & marketing, has its own leadership qualities. It is the combined, team-level efforts of 1000+ employees as well as the supervision from the senior management that help **Archidply** in coming up with cost effective and top-notch products in all categories it is involved in. The team members also participate in a bracket of exhibitions both from the machinery and product point of view to acquire first-hand knowledge that further helps them in the R&D of various products.

Our Certifications

"Quality" has always been the defining factor behind our immaculate success. We lay special emphasis over the quality that we produce. The quality procedure starts right from the procurement of raw material, as we buy it only from renowned and reliable suppliers. Our quality assurance personals test every product at each level of production. It's only after the final assessment that we select the best of the products and further those to our clients.

ISO 9001:2008 | CE | FSC | ECO | Anti-Bacterial | Easy Clean | Static Resistant | All Weather Resistant | Scratch Resistant | Corrosion Resistant | Impact Resistant

The left side of the image features a vertical color palette with a dotted grid. The colors transition from light pink at the top to dark red at the bottom. Overlaid on this palette are the words "true", "dry", "vib", "ess", and "Redefine".

The image is a composite of two parts. On the left, there is a photograph of a modern kitchen interior. The upper cabinets are dark brown with a subtle grain pattern. Below them is a white marble-like backsplash with gold veins. A white countertop with a built-in sink and a chrome faucet is visible. In front of the counter, there is a black bar stool with a white seat and a black metal frame. To the left of the stool, a portion of a white cabinet with a similar grain pattern is visible. An arrow points to the number "19335 FF" on the upper cabinet. On the right, there is a large teal-colored panel sample with a fine, wavy texture. Above the panel, the word "P R E C I O U S" is written vertically. Below the panel, the dimensions "105 w X 297 h mm" are printed. At the bottom left of the panel, it says "19608 FF" and "Ocean (NEW)" next to a small QR code. The panel is set against a light gray background.
